

RIGHT *for* ME TO FOOD

Constitutional amendment. Resolved: Two thirds of each branch of the Legislature concurring, that the following amendment to the Constitution of Maine be proposed:

Constitution, Art. I, §25 is enacted to read:

Section 25. Right to food. All individuals have a natural, inherent and unalienable right to food, including the right to save and exchange seeds and the right to grow, raise, harvest, produce and consume the food of their own choosing for their own nourishment, sustenance, bodily health and well-being, as long as an individual does not commit trespassing, theft, poaching or other abuses of private property rights, public lands or natural resources in the harvesting, production or acquisition of food.

VOTE YES ON QUESTION 3

“While most bills are simple text written in statute in order to convey a message, this resolution, to establish a right to food, is pure poetry. Whether it is the theory of Evolution or of Creationism, the Right to Food is the Original Right of all living beings... This isn’t a bill, it isn’t a resolution, it’s a manifesto of our Original Right. It’s a public health statement, it’s an affirmation of our relationship with Mother Earth, and it speaks to the spirit of Maine.”
